### **New Customer Information**

Setting up a new service with **JWSUD** requires a **\$100 Utility Deposit** and a **\$50 Administrative Fee**. The deposit is held in the account until the customer requests to discontinue service.

**To discontinue service**, the customer must contact the **JWSUD** office to provide:

- A) Date for Final Reading
- B) Forwarding Address & Phone Number

The Final Bill will be deducted from the Utility Deposit and the balance will be sent to the address provided.

All water meters are read by an employee of **JWSUD** each month. Individual meters are read at approximately the same time each month. Water bills are mailed on or about the **20<sup>th</sup>** of the month and are due by the **15<sup>th</sup>** of the following month. **If you do not receive a billing statement by the end of the month, please call the office for an Account Balance.**

Payments may be made by cash, check, money order, or debit/credit card at the office or the Drive-thru during regular office hours. Payments may also be deposited in the drop box which is located at the end of the Drive-thru. Payments that are not received in the office, the Drive-thru, or the drop box by **6:00 pm** on the **15<sup>th</sup>** will be considered **“past due”**. Past Due balances of \$50.00 or less will assessed a late fee of \$5.00. Past Due balances over \$50.00 will assessed a 10% late fee.

If payment has not been received by **6:00 pm** on the **15<sup>th</sup>** of the month, a **Final Notice** will be mailed. When a **Final Notice** is received, **DO NOT MAIL PAYMENT** as payment may not reach **JWSUD** in time to avoid the meter being locked and assessed a **\$75.00 Reconnect Fee**. If you receive a **Final Notice** and have already mailed a payment to your account, contact the office, your payment may not have been received.

**Any account for which payment has not been received by 6:00 pm on the day before the last Wednesday of each month will be locked and assessed a \$75.00 Reconnect Fee for that Month.** Customers whose meters are locked for non-payment will have a **Disconnect Notice placed on their front door at that time.** **The past due balance plus the \$75.00 Reconnect Fee must be paid in full before the service will be reconnected. The Drive-thru will be open until 7:00 pm on the day of disconnect. JWSUD employees will not accept payments from customers at the service address.** All re-connect payments made through the drop box will receive re-connection service on the following business day.

If the 15<sup>th</sup> falls on a weekend or a holiday, the due date will be the next business day. **If you do not receive a billing statement by the end of the month, please call the office for an Account Balance. If full payment is not received by **6:00 pm** on the due date, a **Final Notice** will be mailed to you allowing at least five (5) additional days for payment before disconnection of service; and a late fee will be assessed. Full payment (amount due plus late payment fee) must be received in the office by the Disconnect Date indicated. **The Disconnect Date (final day to make payment) is always the Tuesday before the last Wednesday and payment in full must be received in the office by 6:00 pm on that Tuesday. Meters will be locked on the last Wednesday of each month for all accounts remaining delinquent after the Disconnect Date. Customers who have not made payment in full will be assessed a seventy-five (\$75) reconnect fee on the last Wednesday of each month.**
