Special Utility District

Stay Safe in the Sun!

Summer fun means a lot of time outside in the sun. Below are signs and symptoms we look out for when we're out working on hot summer days that can help you too! Remember, finding shade or cooler locations is always best, and staying hydrated is crucial, so drink up! (Hint: We recommend water!)

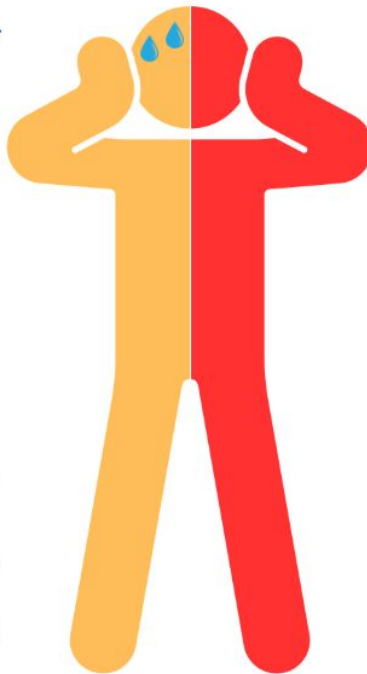

Heat Exhaustion

Symptoms:

- Headache
- Dizziness or fainting
- Heavy sweating
- Cold, pale, clammy skin
- Nausea or vomiting
- Fast or weak pulse
- Excessive thirst

What to Do:

- Hydrate! Water or sports drinks with electrolytes
- Seek shelter in an air conditioned or cooler place immediately
- Lay down and rest
- Take a cold shower, bath, or apply cold compresses
- Remove extra layers or tight fitting clothing

Heat Stroke

Symptoms:

- Headache
- Delirium or confusion
- Hot or red skin, no sweating
- Fainting
- Nausea or vomiting
- Rapid heart rate
- Body temperature exceeding 103°

What to Do:

- Call 911! This is an emergency
- Move to a cooler place and rest
- Remove excess clothing
- Use cold compresses or a cold bath to reduce body temperature
- Do NOT give fluids

Summertime may also have many wondering what the drought status is and when we can start turning on those sprinklers! Currently (as of July 1st) Jonah Water is not under any water restrictions, if we all work together to conserve water and minimize excess usage, we can keep it that way! Help out by washing vehicles at the carwash instead of at home, avoid water-heavy landscaping (like fountains, non-native plants), and use the dishwasher instead of washing by hand!

To stay up to date with drought restrictions, conservation efforts and ideas, and find more ways to stay cool, follow us on social media!

WATER WISE

Issue 4: Q3 Summer 2023 By

Welcome Weir!

We are so excited to welcome former Weir Waterworks customers to the Jonah Water SUD!

Recently we hosted a town hall meeting for new customers to answer questions and hear concerns about changes and upgrades to the water service.

Additionally, we are nearing the grand opening of our new satellite office! Located in the old Walberg Automotive building located at 600 FM 1105, Georgetown.. Customers will now have a second location to pay bills, ask questions, and more!
